RICHARD HANCOCK
CRISIS24
DIRECTOR OF APAC

DATE 18 MAY

GOVT SGD 680 (1-DAY)

PUBLIC SGD 750 (1-DAY)

Join Crisis24 as they share their expertise in planning and executing complex evacuations from medium and high-risk environments.

Using recent examples from cases in Myanmar, Afghanistan and Ukraine, Crisis24 experts will emphasize the importance of stakeholder engagement, resource planning, technology and logistics as key drivers for ensuring successful outcomes. Attendees will learn about the importance of operational planning and crisis communications, working with key stakeholders, including government agencies and dealing with both slow burn and sudden deterioration scenarios. The programme will focus on theory, using real case examples and simulated incidents to allow the attendees to actively engage and participate.

YANIV PERETZ
CTCB PROGRAMME
DIRECTOR

DATE 19 MAY

GOVT SGD 680 (1-DAY)

PUBLIC SGD 750 (1-DAY)

The suicide bomber is one of the most dangerous and effective weapon systems facing civilized societies today and into the future. Suicide IEDs is the terrorists' preferred weapon of choice. They are inexpensive, relatively easy to produce, difficult to counter and have a palpable risk/reward ratio for the terrorist.
